Web Design Document

Site Name:

Lifting Weights

Site Goal:

Provide historical info about weightlifting, suggest places where you can go to lift weights, inform about weightlifting equipment, supplements and how to gain muscle.

Audience:

Fitness enthusiasts: Individuals who are already active and motivated to maintain or improve their fitness.
Weight loss seekers: People looking to lose weight and improve overall health.
Athletes: Professional or amateur athletes needing specialized training and conditioning.
Our primary audience is men and women age 18-34.
